

“GOLD! GOLD!”

THE CALIFORNIA FEVER is increasing in violence; thousands are going, among whom are many young men of our best families...”*

*From a New York diarist, commenting upon the stampede to San Francisco in early 1849.

MON.

JAN. 10. 1849

*Rushing to San Francisco
for the Fall Joint Computer
Conference?*

*Young men and older... good family or plebeian...
all are invited to visit the "mother lode" of memory
technology at our booths (722, 724, 821 and
823) the Civic Center, November 8-10. Make
a "gold strike" of your own... discover a veritable
El Dorado of memory stacks and systems.*
